

BOTTLE GARDEN

Create your own miniature oasis in a bottle.
Some plants such as ferns and mosses enjoy
growing in a bottle garden or terrarium.

MATERIALS

- 🌱 Large glass or plastic jar
- 🌱 Gravel or small stones
- 🌱 Potting mix
- 🌱 Selection of 3-4 different small growing plants
- 🌱 Plastic animals or other objects for decoration

INSTRUCTIONS

1. Place a thin layer of pebbles on the base of the jar, this will help with drainage.
2. Cover the pebbles with a layer of potting mix.
3. Make a hollow in the potting mix and place plants into their holes, firming the mix around them.
4. Very gently water the plants into place.
5. Cover the potting mix with layer of small stones, and add your decoration.
6. Place the lid on top.
7. Keep the soil moist but do not over water.

*Adult supervision may
be required to help with
this project, depending
on the child's age.*
